---

Spectra Energy Midstream Corporation ("Spectra") seeks a right of entry order to construct, operate and maintain a flow line across certain lands legally owned by Parker Livestock Ltd.

I am satisfied that an order authorizing entry to the Lands is required for a purpose described in section 142 (a) to (c) of the *Petroleum and Natural Gas Act*.

**ORDER**

Pursuant to section 159 of the *Petroleum and Natural Gas Act*, the Board orders as follows:

1. Upon payment of the amounts set out in paragraphs 2 and 3, the Applicant shall have the right of entry to and access across the portion of the Lands shown on the Individual Ownership Plans attached as Appendix "A" for the purpose of constructing, operating, and maintaining a flow line. The Applicant's right of entry shall be subject to the terms and conditions attached as Appendix "B" to this right of entry order.
2. The Applicant shall deliver to the Surface Rights Board security in the amount of \$7,500.00 by cheque made payable to the Minister of Finance. All or part of the security deposit may be returned to the Applicant, or paid to the Respondent, upon agreement of the parties or as ordered by the Board.
3. The Applicant shall pay to the Respondents as partial payment for compensation the amount of \$10,500.00.
4. This Order is subject to the approval of the Oil and Gas Commission, and nothing in this order operates as a consent, permission, approval, or authorization of matters within the jurisdiction of the Oil and Gas Commission.
